Mayor Jacobs Launches Monthly Community Newsletter

KNOXVILLE, Tenn.—In an effort to connect residents with local government, Knox County Mayor Glenn Jacobs will start a monthly newsletter, beginning Friday, March 26.

The e-newsletter will discuss programs, events, special offerings, and important news. It will also provide valuable insight into how taxpayer money is put to work by the County.

“I think it is incredibly important that we do everything we can to encourage diverse and meaningful civic engagement,” said Mayor Jacobs. “I see this newsletter as a good way to let people hear what’s going on in county government straight from the source.”

To receive the free newsletter, sign up [here](#).

The newsletter will go out on the last Friday of each month.
