Mayor Jacobs talks park updates and Governor Lee's L&N visit

KNOXVILLE, Tenn.— During his Weekly Update that will post at 1 p.m. today, Knox County Mayor Glenn Jacobs discusses Carter Park ADA improvements, the reuniting of millstones at Spring Place Park, and Governor Bill Lee's visit to L&N STEM Academy.

This week, Governor Lee and various state and local officials toured L&N STEM Academy, which is Tennessee's only regional public high school. Mayor Jacobs highlighted their unique approach to education as they empower students to apply innovation and critical thinking in the classroom.

"The school is consistently ranked as one of the top high schools in the country," said Knox County Mayor Glenn Jacobs. "Across our school system we are seeing tangible improvement among our students. I think the reason for this is we have visionary leadership from Superintendent Jon Ryswyk and his team, and competent administrators and faculty at every level."

Please note, Knox County government offices—including convenience centers, libraries, and the Health Department—will be closed on Monday, Sept. 2, in observance of Labor Day. All offices will resume normal business operations on Tuesday, Sept. 3, 2024.
